Hope **RESTORING** ANNUAL GALA

RESTORING Hope ANNUAL GALA

This year marks a powerful new chapter for Blanket Fort Hope.

After years of prayer, planning, and faithful generosity, the Restoration Home stands complete and debt-free - a testament to God's faithfulness. We are ready to welcome child survivors of human trafficking into a place of safety, healing, and hope.

To celebrate this milestone and to look ahead to what's next, we invite you to join us for the Blanket Fort Hope Gala on February 12, 2026, for an unforgettable evening centered on restoration, impact, and hope for the future.

We would be honored for you to partner with us as a Gala Sponsor. Your sponsorship directly supports the ongoing work of Blanket Fort Hope, including safe housing, trauma-informed care, education, counseling, and the long-term restoration of child survivors.

Why your Partnership Matters:

- **You'll help restore childhoods:** Your support allows children to experience safety, stability, and hope again.
- **You'll invest in lasting impact:** Sponsorships fund critical operational and program needs as the Restoration Home begins serving children.
- **You'll be recognized:** Sponsors are featured in event materials, promotions, and throughout the evening.
- **Your donation is tax-deductible:** Blanket Fort Hope is a 501(c)(3) nonprofit.

Enclosed you'll find our 2026 sponsorship opportunities, outlining meaningful ways to be part of this night and this mission. We are especially excited to welcome partners who feel called to stand with us at a leadership level as we enter this next season.

To ensure inclusion in printed materials, **please return your sponsorship commitment by February 1st.** If you have any questions or would like to discuss partnership opportunities, please contact Tara Littleton at tara@blanketforhope.org or 205-389-0011.

Thank you for standing with Blanket Fort Hope and for believing that every child deserves safety, healing, and a future full of promise. We look forward to celebrating with you and continuing this mission together.

Christ is our foundation.

Hope is our mission.

The best is yet to come.

With gratitude,

Training & Education Services

Compassionate care from trained foster families & professionals is crucial to the restoration process. Our state-accredited training prepares foster families, individuals, and industry professionals for the realities they will face while working with sex trafficked child survivors.

Restoration Therapy Services Program

Blanket Fort Hope provides restoration therapy services to trafficked minors who are put in our care. Boys and girls who've experienced these horrors need specialized therapy to help them cope with their past and move on to their future. We are a licensed Child Placement Agency (CPA) and can manage the recovery of child trafficked survivors and guide them to heal.

Trauma Training Center

The Trauma Training Center will serve children and families directly through intake, visitation, and therapeutic services, while also equipping law enforcement and community partners with trauma-informed training that improves safety, reduces escalation, and prevents re-traumatization. By aligning agencies around best practices, we help ensure child survivors receive a coordinated, compassionate, child-centered response.
